Subject Postponement of Insulation Works Commencement Due to Weather Conditions

Dear Sir,

We would like to inform you that our specialized technical team for insulation works attended the project site yesterday, Wednesday 10 December 2025.

Due to the unfavorable weather conditions and heavy rainfall experienced at the site on Wednesday 10 December 2025, it was not possible to commence the planned works as scheduled, in order to maintain execution quality in accordance with standard specifications.

Accordingly, the commencement of insulation works will resume starting from the morning of Friday 12 December 2025, following thorough verification of surface dryness and weather suitability to ensure works are executed according to the highest standards of quality and occupational safety.

Best regards,

Eng./ Mohammed Sami Mohammed
